

| General Informations     |   |                            |  | Date: 17.06.2021 |
|--------------------------|---|----------------------------|--|------------------|
| Product Name             | Organic Chickpeas/<br>Organic Kabuli Chana  | Country of Origin          | India  |                  |
| Type of Packaging        | Big Bag/ Paper Bag/Poly Pouch or<br>As per requirement  | Packaging weight           | 1000 Kg/ 25 Kg/1Kg/2LBS or<br>As per requirement |                  |
| Ingredients              | Organic Chickpeas, sorted and cleaned with optical sorter   |                            |  |                  |
| Sensorial Parameters     |   |                            |  |                  |
| Appearance               | Uniform   | Colour                     | Beige  |                  |
| Smell                    | No off odour  | Taste                      | Typical, characteristic                          |                  |
| Physical Parameters      |   |                            |  |                  |
| Shrunken and<br>Immature | ≤ 2%  | Live/Dead Infestation      | Nil  |                  |
| Broken grain             | ≤ 3%  | Foreign matter             | ≤ 0.01%  |                  |
| Damage, Discolor         | ≤ 2%  | Stones                     | Nil  |                  |
| Weevilled Grains         | ≤ 2%  | Size                       | 10 to 12 mm                                      |                  |
| Chemical Parameters      |   |                            |  |                  |
| Moisture                 | ≤ 13%   | Gluten                     | Gluten free (As per USDA/EU<br>regulation)       |                  |
| Pesticide Residue        |   | As per USDA/EU regulations |  |                  |
| Contains GMO             | No  | GMO declaration            | Yes  |                  |
| Storage Conditions       |   |                            |  |                  |
| Temperature              | Ambient temperature not to be exposed to sunlight.<br>Cool temperature less than 22 degree Celsius is preferred for a long storage. |                            |  |                  |
| Other conditions         | Must be stored in cool and dry area on pallets.   |                            |  |                  |
